Goals	Be Helpful & Respectful
	We and our customers are satisfied with the project results
	Not only satisfied with the product, also with the moral of and atmosphere in the team
	Improve efficiency over the semester
Meeting norms	Team Meetings are mandatory (Thursday, 12:30pm)
	Be on time
	Turn your camera on if possible
	Come prepared
Working norms	Primate of consensus, else voting, majority wins
	Support your team
	Task assignments will be made clear and agreed upon by the end of weekly group meetings.
	Task can be solved independently or in groups (pair programming)
Coordination norms	Give constructive criticism, don't make it personal
	Team meetings will be led by the POs
	Assignments can be chosen based on preference if assignments are not voluntarily chosen the Product owner can assign tasks based on workloads
Communication norms	Our communication channel will be slack and we write respectfully
	Communicate over the corresponding channels
	Response at least in 24h
	Whatsapp as urgent channel
Consideration norms	Any discussion should be viewable to any one that the discussion pertains.
	If you cannot participate or arrive late, write a message in slack beforehand if possible at least an hour before
	Ask for help if necessary
Cont. improvement norms	Side conversations in separate slack channel
	Don't interrupt each other in the zoom calls
	Be considerate of others people time and communicate at your earliest convenience
	If two people have a conflict choose mediator, for more people or full group discussion
Rewards	Kanban board, closed tickets and weekly deadlines are used to track progress
	Test and code metrics
	Assign default reviewer
	Master should always be runnable
Sanctions	Anyone can start a discussion about outcomes or notices from their assignments.
	Cake
	Drinks
Sanctions	Write Documentation
	Last place for task assignment
	Sanctions only by vote
